

WEEKEND RECREATION ON THE RIVER

Come and experience our premiere **Weekend Recreation on the River Package**.

Only minutes west of the capital city of Edmonton, Alberta you can experience a peaceful day of paddling and an exciting day of jet boating and fishing down the historic and scenic North Saskatchewan River valley.

Your package starts with you arriving at the charming and spacious **High Rigg Retreat Bed and Breakfast** with its terrific views of the river valley. You have two days of adventure and fun ahead of you.

On your canoe day, the folks at **Edmonton Canoe** will transport you from the Devon bridge to your starting point. The 4 to 6 hour paddle will take you down the beautiful North Saskatchewan to the take out at the Devon bridge. You will be amazed by the spectacular scenery including the many high bluffs and islands along this stretch of river. Back at **High Rigg Retreat** you can sit around the fire and reflect back on all you had seen that day.

The other day will have you jet boating up river for a full day of great fishing fun with the award winning **Get Hooked Fishing Adventures**. They have been fishing these waters for 12 years so they know where that pike, walleye, goldeye or sauger of a lifetime may be waiting for you. The gourmet lunch provided by **Get Hooked** is worth the trip alone. If you like you can even pan for gold at lunch. Your day ends with you returning to **High Rigg** to relax and tell all your fish stories.
